

Directory of All Radio and Flight Service Stations (FSS) Between 1920 and 1978

This page contains a roster of all existing Radio and Flight Service facilities between 1920 and 1978. Information provided below was published in the "Airways" - End of Seat-of-the-Pants Flying, by H. Dale Heister and published in 1978.

Index of abbreviations used in this directory

A/L - At Least (date) - Latest confirmed operation date.

P/T - Prior To (date) - Earliest confirmed date; other material shows operation at early unconfirmed date.

L/T - Later Than (date) - Latest confirmed date; other material shows operation at later unconfirmed date.

P/C - Previously Commissioned - Some stations had a break in service, and later re-commissioned - often having no date/s.

B/CST - Became Combined Station/Tower

M/T - Moved To - Station relocated elsewhere.

R/T - Remoted To - Station decommissioned and services provided by designated station.

B/RCO - Became Remote Communications Outlet.

N/I - No Information.

A total of 734 stations are listed below, 680 confirmed and 54 unconfirmed. The unconfirmed stations may have existed, however, insufficient reference material made it impossible to confirm and/or deny such existence.

Alabama

Station	Date Commissioned	Date Decommissioned	1-2-3 Letter Idents	Radio Calls	Remarks
